Ref.: **Gluten**  
Meggle products: **MicroceLac 100**

To whom it may concern,

for the production of above mentioned products no ingredients or processing agents are used, which originate from wheat, rye, barley, oat, spelt, kamut or corresponding hybridised strains.

As the above mentioned products are not produced on dedicated equipment, the information given is based on ingredients in production process and not on allergens due to cross contamination.

Best regards
